

Week of 4/20/2020

Dear Parents/Guardians,

Over the next several weeks, we are going to share with you encouraging family ministry resources to help with the COVID-19 quarantine. We hope they provide you with opportunities to connect with your family during this unprecedented time.

This week's resources include a game and a short video.

Are you spending way more time at the dinner table than ever before? Well, here is **Seated N' Silly Games**, creative activities to help you connect with your child at the dinner table.

Your second resource is **Leveraging the Dinner Table**, a brief video that inspires you on how to use the evening meal to build relationships.

Click the links below to download your parent resources.

SEATED N' SILLY Games

In the following weeks, you will receive games, prayer guides, and more. Do you know other parents who could benefit? If so, pass on this on to encourage others!

If you need anything at all, please do not hesitate to contact us.

In Him,

Cristi Moore (cmoore@firstumc.org)

Alex James (ajames@firstumc.org)
